N/A	COPE Health Scholar Program
<p>The COPE Health Scholar Program provides students firsthand clinical experience in health care systems across all of Southern California, Washington, and Hawaii. Health Scholars at the Hoag Hospital site have the opportunity to shift in 26 various floors that are unique in the type of patients admitted, conditions treated, and procedures performed! Out of those departments, there are 6 surgical floors not counting the Main Operating Room which is opening by the end of this year!</p> <p>Highlights of the program:</p> <ul style="list-style-type: none"> • Gain clinical hours in direct patient care that will make you a great candidate to work in the healthcare field. • Rotate through various clinical and administrative departments and shadow healthcare professionals • Gain connections with healthcare professionals, alumni, and other members of the program. • Expand your leadership experience and enhance your professional and interpersonal skills. <p>Health Scholars are certified by UCLA in Patient Experience and Pre-Licensed Clinical Care after completing 280 hours that can come from training, shifting on the floors, and participating in exciting projects. The program offers exclusive opportunities for our Health Scholars such as shadowing, community health events, and educational classes with alumni who have been admitted to graduate schools!</p> <p>Join a webinar to learn more about the program, the admissions process, departments offered, some tips on the applications and interviews, etc. If you'd like to attend a webinar, you must RSVP by navigating to the "Webinars" page on the Hoag Scholar website: https://sites.google.com/view/hoaghealthscholar</p>

Kaplan	Live Event Recording: "Choosing Your MCAT Date and How it Impacts Your Success"
<p>Kaplan recently hosted an event that talked through how the MCAT test date is more than just a day. Med school admissions occur on a rolling basis, which means that your chosen date can help you gain that coveted med school acceptance letter. Unfortunately, a less strategic date could also result in getting waitlisted or rejected. This event explains how to choose a date that works for your goals and fits studying into your schedule.</p> <p>Watch here: https://go.kaptest.com/e/504051/4lnTCXgZi-4/36wcfz/412697995?h=658001xzMvcAD4imzaHwuVmlKoKrdSYABrcj6i3nJxs.</p>
