6. Shoulder Surgery Outcomes Study at UCI SOM - Volunteers Needed!

A message from Saman Andalib from UCI School of Medicine:

Along with Dr. Ranjan Gupta in the Department of Orthopedic Surgery, I am conducting a research study evaluating new outcomes in shoulder surgery. For this study, we need volunteers to come to the UCI Medical Center in Orange on February 17th.

At this event, several surgeons will be present to network, provide advice, and provide potential research opportunities for interested undergrads. Additionally, there will be didactic events available for students interested in learning more about Orthopedics!

7. Mayo Clinic Alix School of Medicine - Med School 101 Series!
8. Medical Assistant Job Opportunity - Starting April

Irvine Orthopedics is a private clinic specializing in sports medicine and general orthopedics. We are seeking a Medical Assistant to work for Dr. Darius Lin, a board certified and fellowship trained orthopedic surgeon.

This is a paid position ($17.00 per hour) and the start date is flexible.

This position will require the ability to speak both English and Mandarin. The successful applicant will be eager to learn about this specialty and the medical field, will be enthusiastic to assist Dr. Lin in both administrative and clinical duties, and will have strong organizational skills. No experience is necessary for this position.

This is a part-time position Tuesdays - Fridays 8:30am to 5:00pm.

You can find out more information about our clinic and Dr. Lin at the link below: https://www.irvineorthopedics.com/about-us/

If you are interested in applying for this position, please send your resume and contact information to:
lgonzalez@irvineorthopedics.com

Thank you and we look forward to hearing from you!
